

## Rules for IAG Scientific Meetings

1. IAG scientific meetings are organized by IAG components (Commissions, Inter-commission Committee on Theory, Services, and the Global Geodetic Observing System) or IAG Sub-components (Sub-commissions, other Inter-commission Committees, Projects, Study Groups, Working Groups). They may take place:
  - a) during IAG General Assemblies, held in conjunction with the IUGG General Assemblies,
  - b) during IAG Scientific Assemblies, held in-between successive General Assemblies, or

2. During the General or Scientific Assemblies symposia and other meetings are in general organized by IAG components or sub-components. For specific topics there may be joint symposia of several components or sub-components under a convener appointed by the IAG Executive Committee. The inclusion of scientific papers for presentation at a General or Scientific Assembly is decided by a Scientific Committee established by the IAG Executive Committee.
3. At General Assemblies joint symposia covering topics of two or more Associations within the Union and/or other international scientific organizations may be organized. Though the IAG may act as convener or co-convener, these symposia follow the IUGG rules.
4. The IAG may participate also in joint symposia with other Associations at any other time outside of the General Assemblies, following the same procedures.
5. The IAG may sponsor symposia covering appropriate topics of Geodesy at any time outside of the General or Scientific Assemblies. It shall be called IAG sponsored Symposium if the following conditions are fulfilled:

  - a) The Scientific Organizing Committee is responsible for ensuring a high standard of scientific value of the symposium. The chair of the Committee:
    - invites participants after the symposium is approved by the IAG Executive Committee,
    - invites contributions and sets a deadline for submissions of abstracts, and
    - informs the IAG Secretary General of all important matters pertaining to the symposium.

Applications for sponsorship should be submitted to the IAG Secretary General not later than 12 months before the intended date of the meeting.

The IAG wishes to avoid duplication of symposia or meetings, and to discourage symposia or meetings with overlapping themes that are held with too high a frequency.

The IAG Secretary General shall publish a calendar of IAG Symposia and other scientific meetings organized or sponsored by IAG components or sub-components in the IAG Newsletter, in the Journal of Geodesy, and on the IAG Website.
